

Canadian Western Horse Association (CWAH) Rulebook

Section 1 – General Show Rules

- 1-1 In the event that questions should arise regarding rules and regulations not addressed in the CWAH rulebook, the current American Quarter Horse Association (AQHA) Official Handbook of Rules and Regulations shall be referenced. All Reining patterns are selected from the National Reining Horse Association (NRHA) pattern book. The CWAH refers to the NRHA Rules for Judging as a guideline for judging Reining patterns.
- 1-2 Riders under 18 years of age must wear a CSA approved helmet in all events. Helmets are optional for those 18 years of age and older, but they are encouraged to be worn by all riders regardless of age.
- 1-3 Whenever ‘horse’ is used, it also denotes ‘pony’.
- 1-4 No horse will be allowed to be shown more than once in any class in the same age group.
- 1-5 Horses aged two (2) years old or under are not to be shown in riding classes before July 1 of the year in which they turn two (2). They may be shown at in-hand events (halter, lungeline and showmanship).
- 1-6 No cross entry between age groups, leadline or walk/trot classes with the exception that walk/trot contestants may enter the speed events in their age division.
- 1-7 Every horse shall at all times be treated humanely, with dignity, respect and compassion. Refer to VIOLATIONS in the AQHA Official Handbook of Rules and Regulations.
- 1-8 All competitors are encouraged to have a Manitoba Horse Council or other Provincial Horse Council/Federation membership for insurance protection. Competitors must have a CWAH membership and a Provincial Horse Council/Federation membership to qualify for year-end awards. Points towards year-end awards will not accumulate for a competitor until they have paid for a membership and the competitor/horse combination must attend the minimum amount of shows, set at two less than the number of shows offered. If a competitor does not choose to become a CWAH member, they will pay the CWAH non-member office fee and will still require proof of their Provincial Horse Council/Federation membership. However, to encourage growth and interest in CWAH and the local horse community, a competitor may try out, called a hometown, one CWAH show per year without holding a Provincial Horse Council/Federation membership. Hometown competitors must sign a waiver prior to competing. Note: Claiming hometown status at a show will exempt a competitor from earning year-end points for that show, as a full membership including CWAH and a Provincial Horse Council/Federation membership is required to obtain points.

- 7-2 The CWAH recognizes that not all the above mentioned positions will be able to be performed by separate individuals at all shows due to the clubs limited resources. In an effort to ensure that all show management duties are met a minimum of three (3) persons will be named; with their roles identified and posted in multiple locations around the show venue, at each show.

Section 8 – Judges
